Immerse in Spanish life!

Emily Di Bella,

"Living with a family is the best thing I could do here in Malaga! I only have good things to say about my time with Maria, Kiran and Irene. With them I had the opportunity to get to know Malaga and have more experiences than I would have without them.Irene and Kiran showed me Malaga center and the Alcazaba castle, we went out for drinks, and more! I also met their friends and always felt included, which was great! My favorite part was just spending time talking and laughing with them. After a month I moved to an apartment in Malaga, but although I don't live with them I still consider them family. We still see each other regularly and one thing I love to do in Malaga is spend time with them! I am also very lucky to have her support. They are my family from Malaga and I am very grateful to have them"

Make new friends!!

Johannes Kerbs,

"I was in Malaga for 10 weeks, and it was fantastic! The accommodation team was wonderful and made sure everything went smoothly. The apartment is well-maintained, cozy, and clean, with a spacious bathroom. The bus station was just around the corner, but, to be honest, I found the distances in Malaga much shorter than I expected, so I explored most of it on foot. If you're looking for a comfortable and functional living experience (don't expect 5-star luxuries!), and to meet a friendly group of international students, I would highly recommend it! AIL truly provides excellent accommodation service at an unbeatable price"
